SIGHTS ON SUCCESS

Professional Development Solutions,
a subsidiary of LAB and Associates, Inc.,
a Burrell Global, Inc. company

OUR MISSION

SIGHTS ON SUCCESS Professional Development Education Solutions seeks to be the premier provider of professional development services for clients seeking the highest quality in training and professional development.

OUR SERVICES

SIGHTS ON SUCCESS Professional Development Education Solutions assists educational agencies, school districts, clusters of schools, or individual schools in meeting mandated educational goals and objectives. Whether your training needs are relative to best practices (*AYP, RtI, & Special Education*), curriculum development and implementation strategies (*ELPS, Inclusion, Multilingual, NCLB, Sheltered Instruction*), assessment (*National and State Measures*), leadership training, coaching, mentoring, diversity strategies, motivation skills, new innovations, data management skills, parental involvement and/or program evaluation, **SIGHTS ON SUCCESS** is poised to assist. Let us partner with you in charting the course for your educational improvement. **SIGHTS ON SUCCESS** is available to aid in creating optimal learning environments for students, educators, families and your community. We can assist with the **SOS** in Education. Let us help **Save Our Students!**
